NORMS' RULES OF "MAN'S BEST FRIEND"

We have some very simple rules for your furry friend so as to make the experience enjoyable for all.

We appreciate your cooperation.

Please keep them at your table, not begging at tables around yours.

Please keep them off the tables and booth seats. Sorry, they must remain on the floor.

Must remain on a leash at all times.

Try to keep barking to a minimum, or none at all.

Your friend has to get along with everyone. If you can't take them to a dog park then they can't be in Norm's.

We are walking a very thin line by letting you bring them in and to do so we have to be firm about these rules.
